AMENDMENT OF FOREIGN ASSISTANCE ACT OF 1961—AMENDMENTS

AMENDMENT NO. 1229

Mr. PROXMIRE. Mr. President, I offer an amendment and sent it to the desk and ask to have it stated.

The PRESIDING OFFICER. The amendment will be stated for the information of the Senate.

The LEGISLATIVE CLERK. On page 2, line 15, after the word "shall" and before the words "be deemed", insert the word "not."

The PRESIDING OFFICER. The amendment will be received, printed, and lie on the table.

Mr. PROXMIRE. Mr. President, this is a serious amendment and one which has real merit. I hope that Senators who will have an opportunity to read the RECORD tonight will consider it because it is an amendment which may point the way to a solution of the problem which may be satisfactory to all Senators.

AMENDMENT NOS. 1230 AND 1231

Mr. President, I also send to the desk two additional amendments and ask that they be printed and lie on the table.

The PRESIDING OFFICER. Without objection the amendments will be received and printed and will lie on the table.

PRESIDENTIAL SUCCESSION—ADDITIONAL COSPONSORS OF JOINT RESOLUTION

Mr. BAYH. Mr. President, I ask unanimous consent to have the following names added in addition to the list of Senators who have already cosponsored Senate Joint Resolution 139, a measure having to do with the vexing problems of Presidential inability and vacancies existing in the Vice Presidency: Senators CASE, NELSON, MCINTYRE, BARTLETT, INOUE, YOUNG of Ohio, and EDMONDSON.

I ask unanimous consent that their names may be added as cosponsors of the measure.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. MANSFIELD. Mr. President, will the Senator yield?

Mr. BAYH. I yield.

Mr. MANSFIELD. May I say to the distinguished Senator from Indiana, who has done such remarkably efficient work in the Judiciary Committee on the measure, relating to Presidential disability and succession, which I understand was reported from committee in the form of legislation this morning and will be on the calendar tomorrow, that it is the strong hope of the leadership that the efforts made by the distinguished Senator from Indiana and the subcommittee will not be in vain and that it will be possible to bring this matter up before adjournment this year, so that at least in the Senate, if at all possible, we shall be able to give it the consideration which I personally think is its due. I compliment the Senator for his work in this respect.

Mr. BAYH. I thank the distinguished majority leader for his overly kind comments, which I appreciate very much. I would like the RECORD to show that the small part I have been able to play and the part that has been played by many of my colleagues in the Senate in trying to move this legislation forward has been greatly aided and abetted by the majority leader, who has not only counseled with us but has spoken publicly on several occasions indicating his interest in seeing that this problem is solved. We are thankful for his interest in the matter.

Mr. KUCHEL. Mr. President, I ask unanimous consent that at the next printing of Senate Joint Resolution 139 the names of the distinguished Senator from Kentucky [Mr. COOPER] and my own be added as cosponsors.

The PRESIDING OFFICER. Without objection, it is so ordered.

ADJOURNMENT TO 10 A.M. TOMORROW

Mr. MANSFIELD. Mr. President, if there is no further business to come before the Senate, I move, pursuant to the order previously entered, that the Senate adjourn until 10 a.m. tomorrow.

The motion was agreed to; and (at 8 o'clock and 28 minutes p.m.), the

Senate adjourned, under the order previously entered, until tomorrow, Friday, August 14, 1964, at 10 a.m.
